# AI-Ready Culture: Machine Speed, Human Ingenuity

Date:

23 April 2025

Time (IST):

9 AM – 3:15 PM

Venue:

Online (Zoom)

## AI isn't just about automation

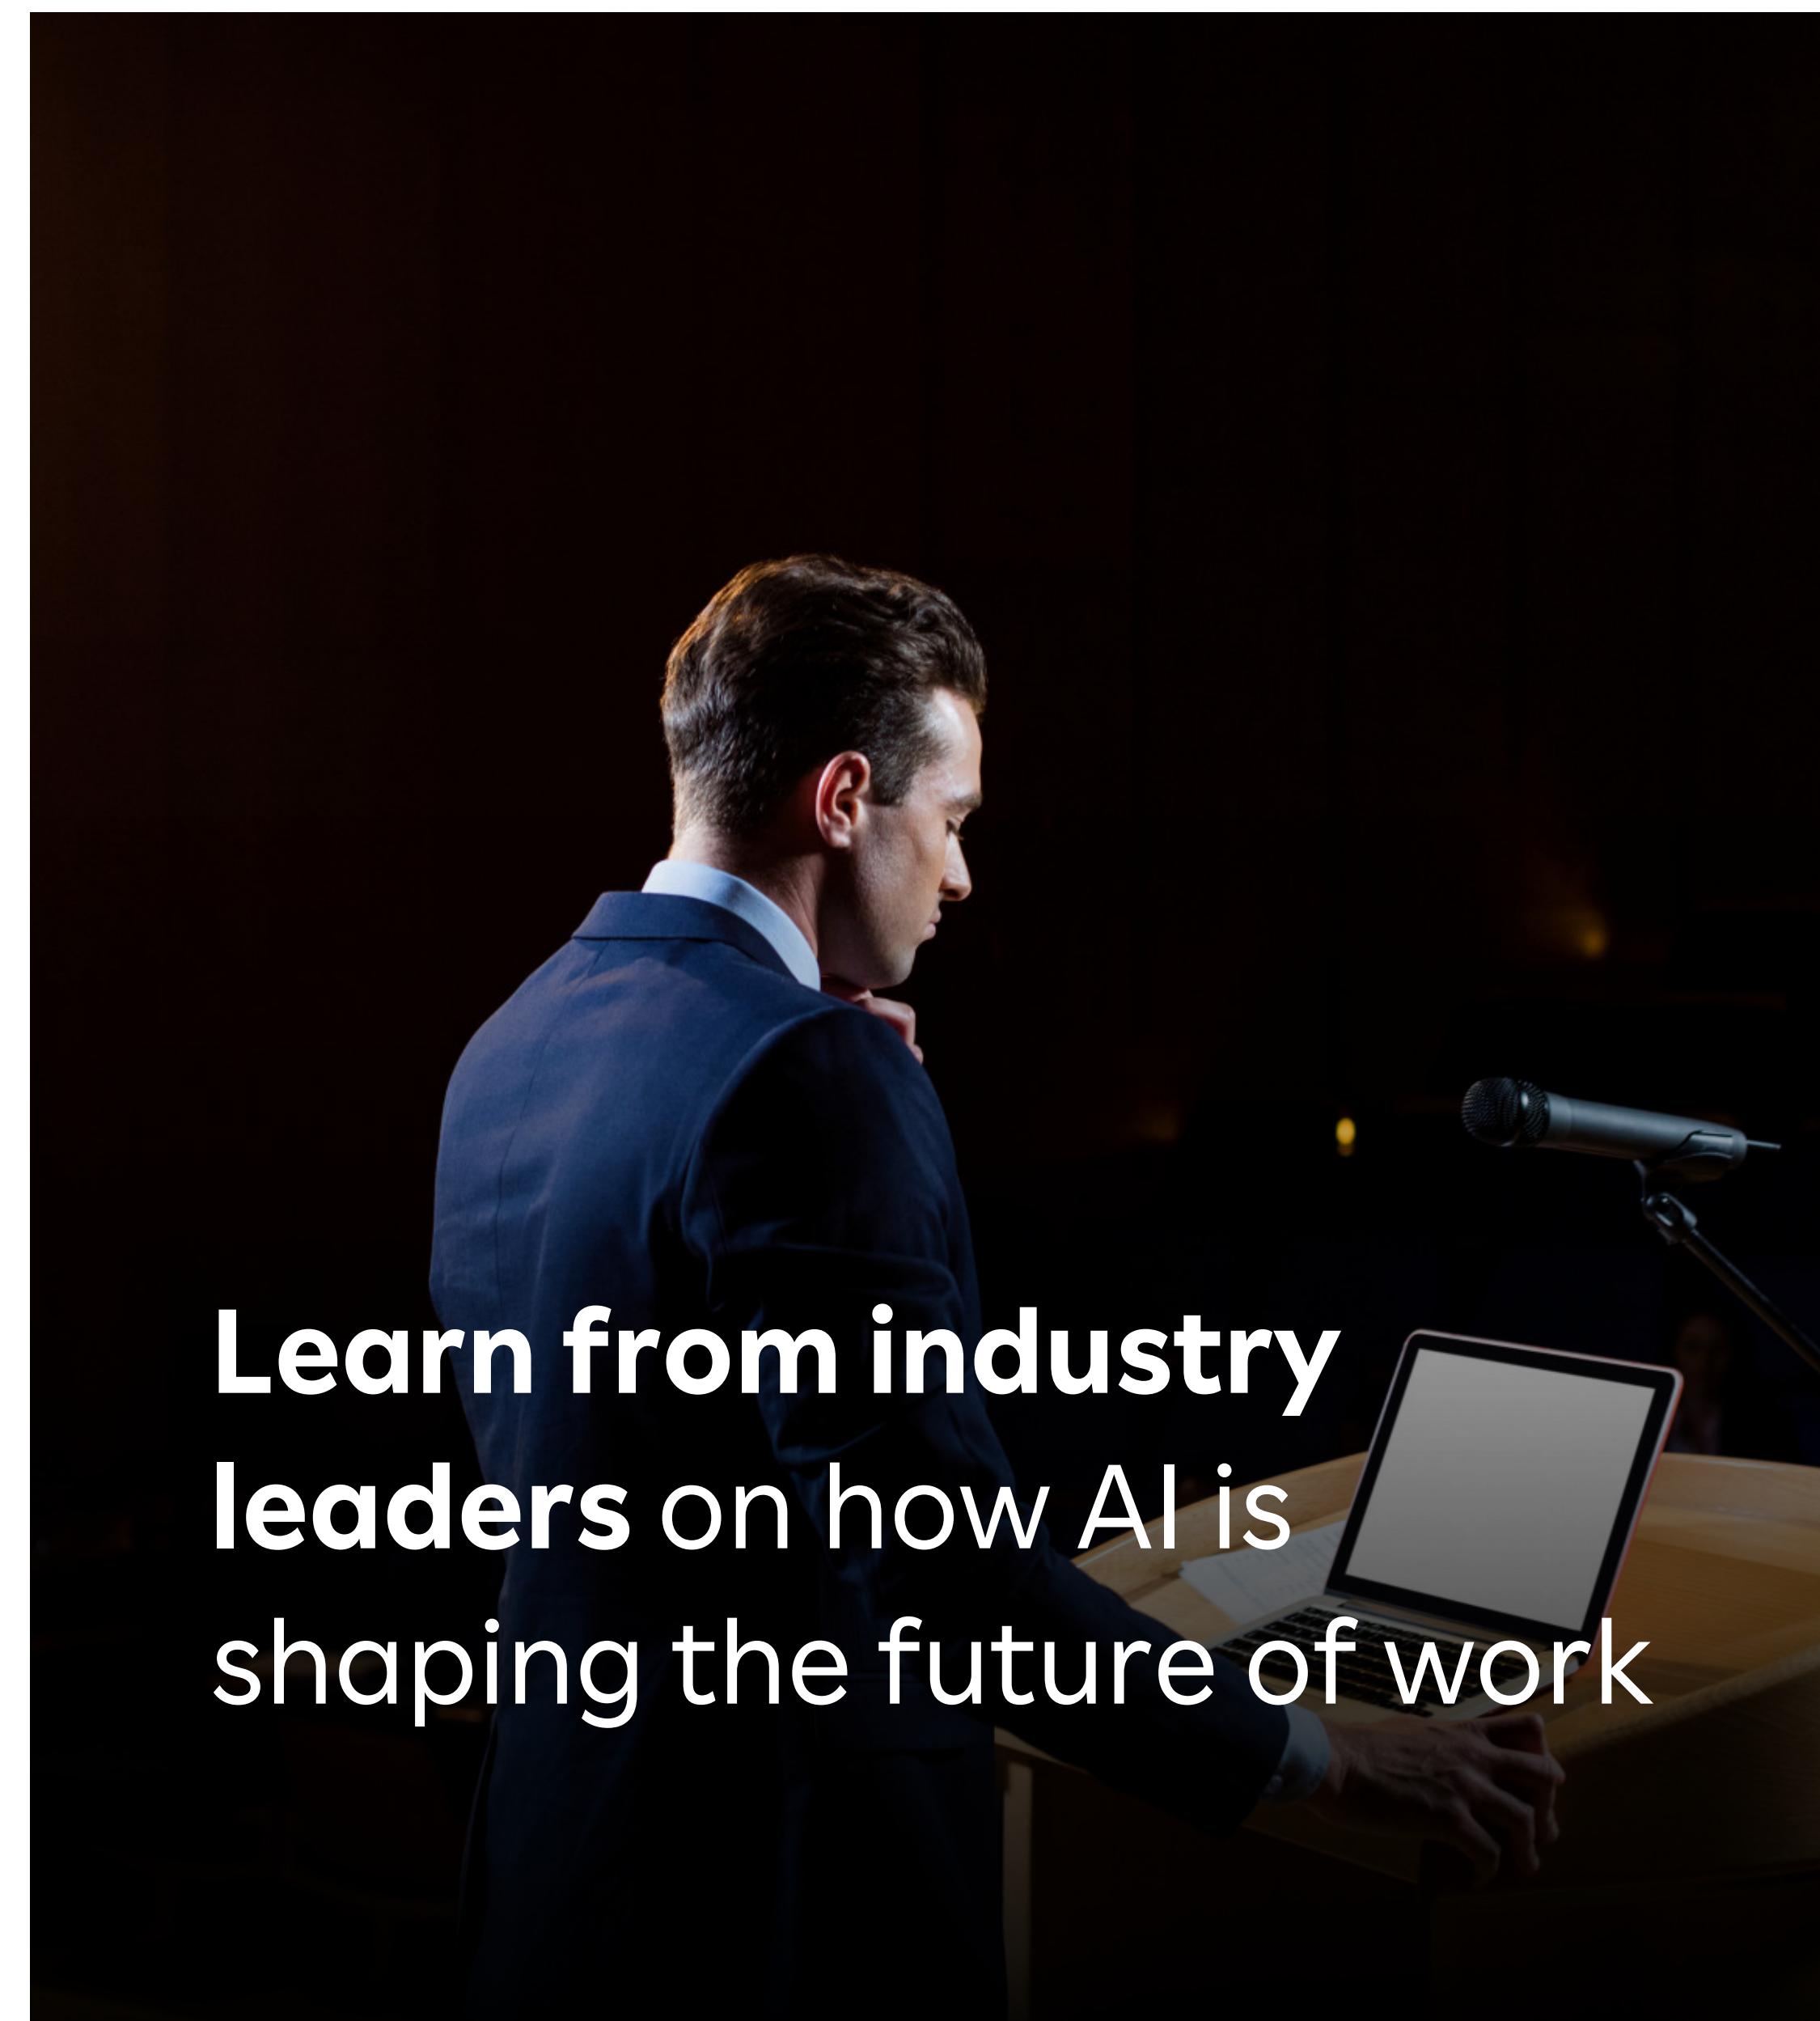

It's about transformation. The real challenge isn't just using AI, but creating a culture where AI works with us at machine speed, guided by human ingenuity.

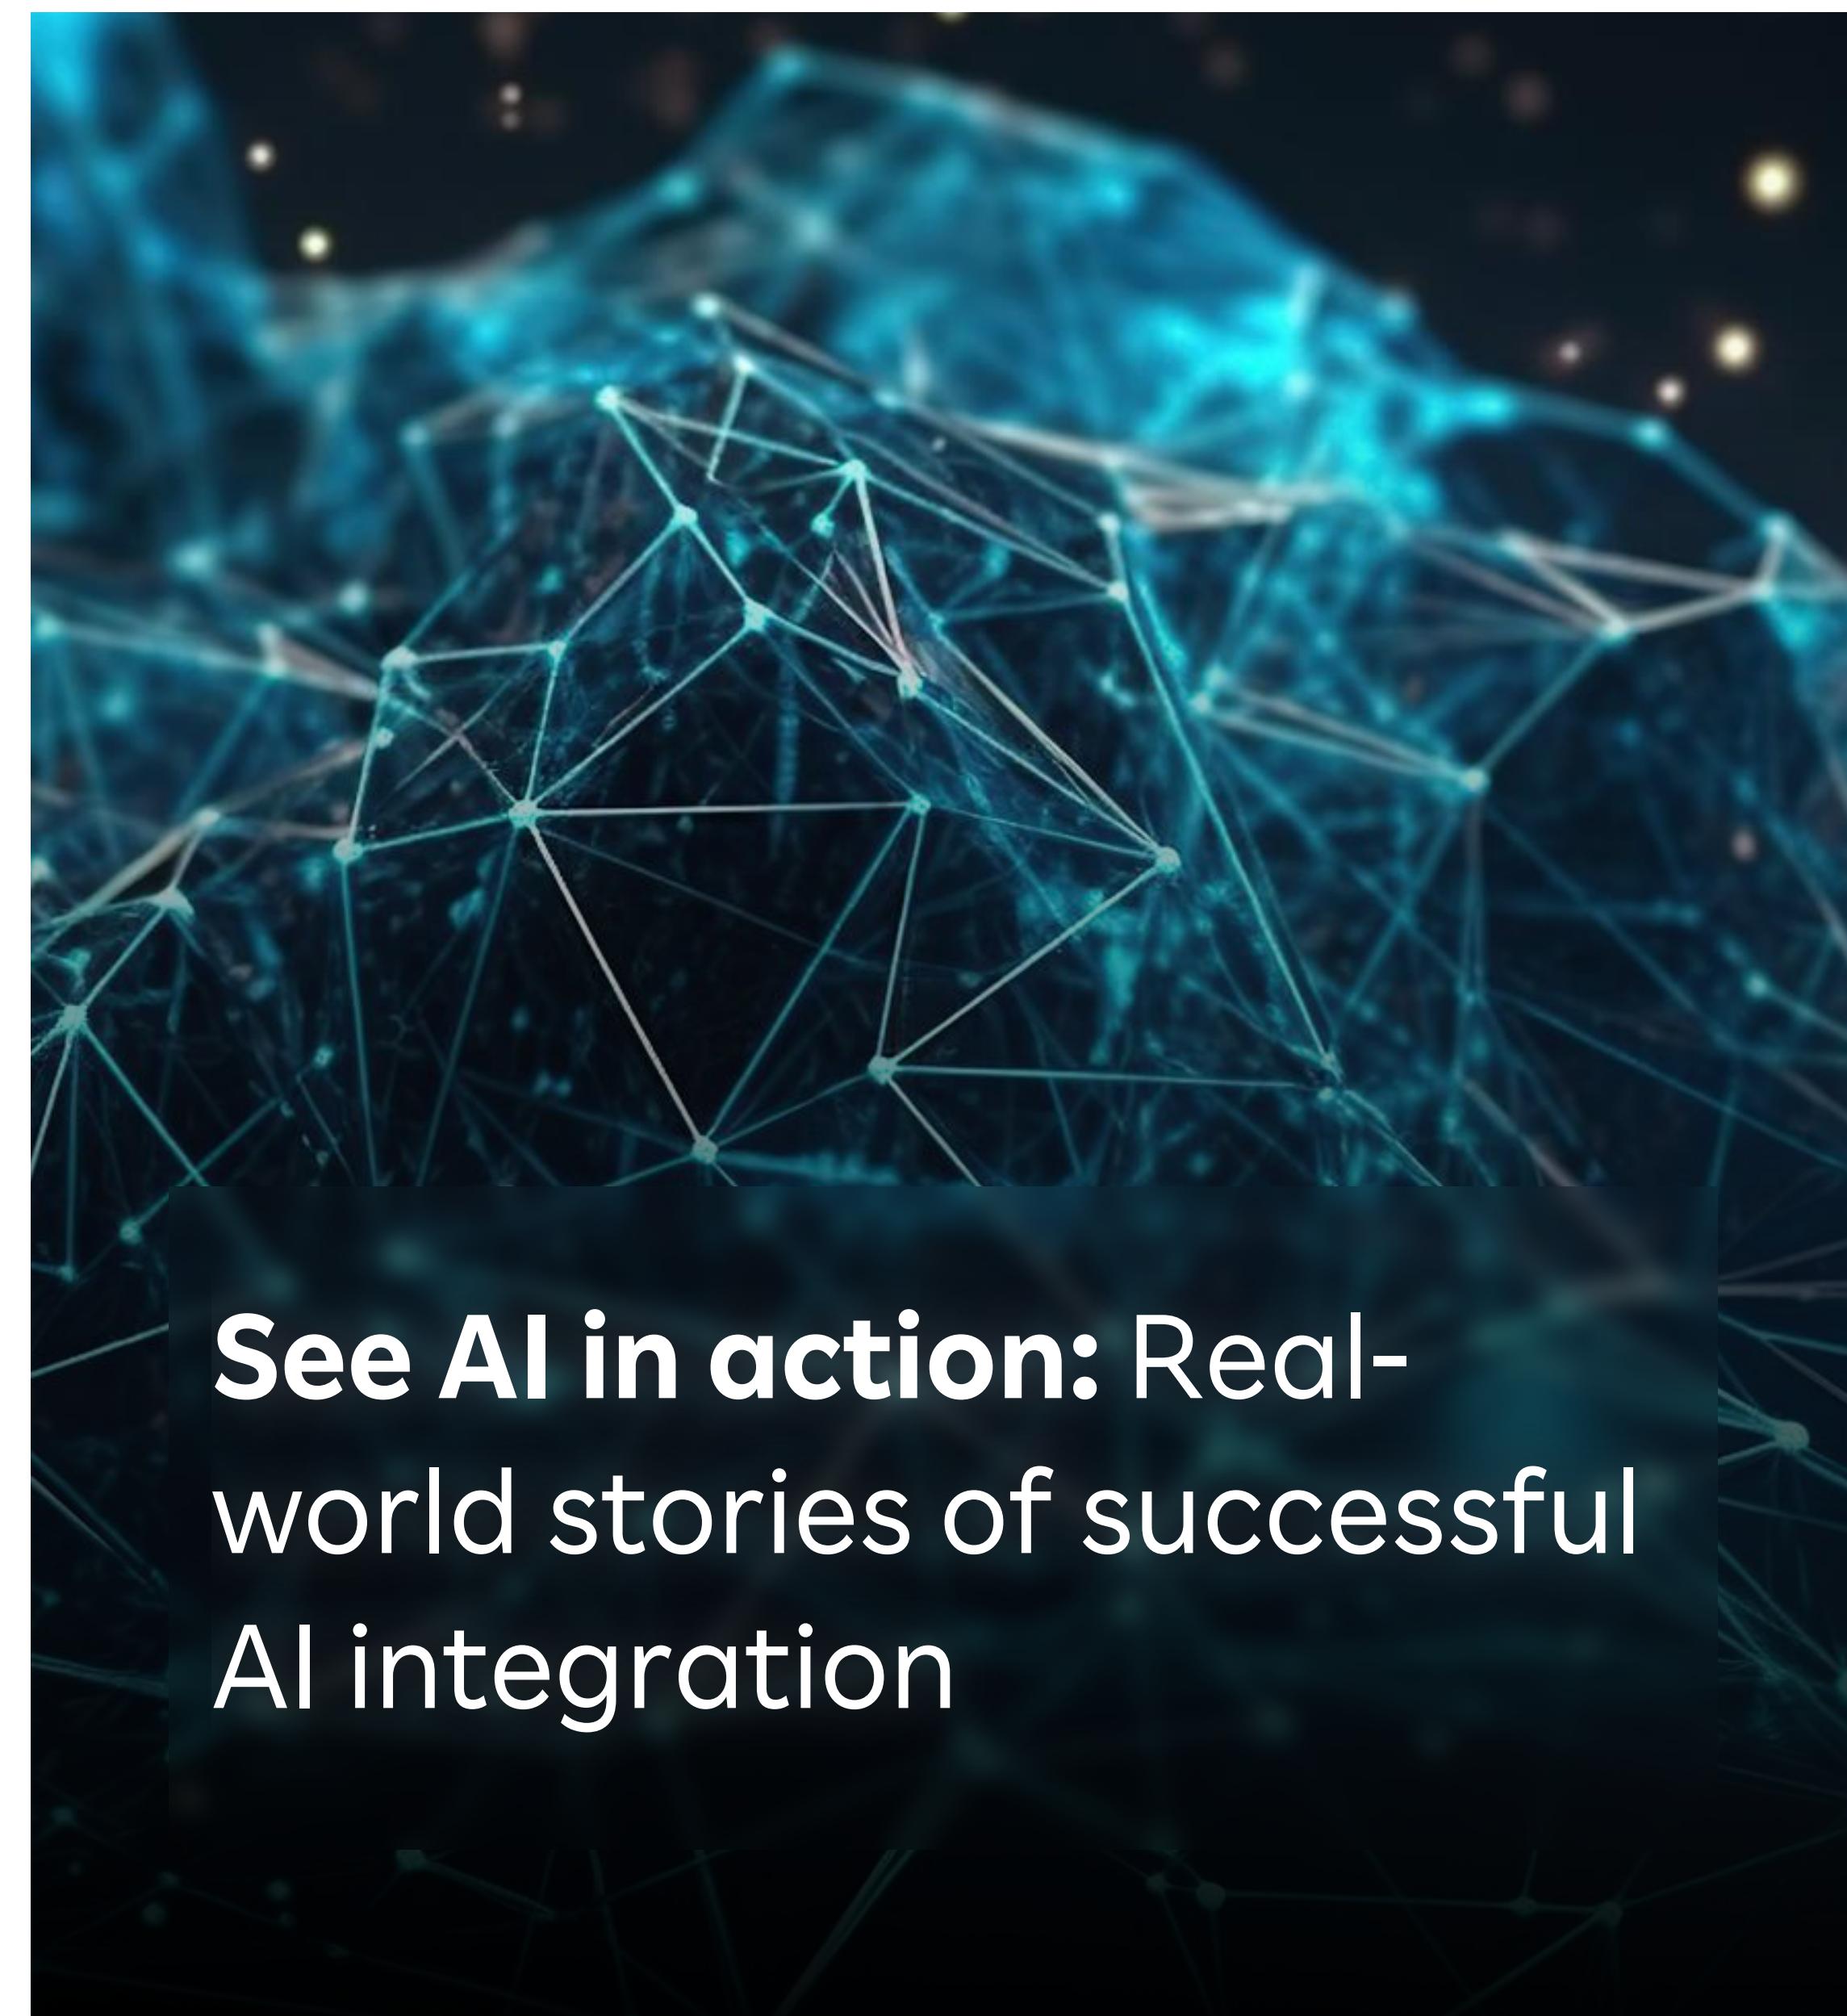

At Rakuten Product Conference 2025, we go beyond AI-first thinking to explore how businesses can make AI part of their DNA integrating it into everyday decisions, processes, and innovation.
